

How to Book a Climbers' Club Hut as a Kindred Club Member.

With the advent of the new CC website booking a CC hut as a KC has become much more straightforward. The hut booking system is a live system, meaning that you can see the actual number of beds available to you at the time of booking.

NB: Your booking will not be confirmed until you have paid in full also you need to allow enough time for a key to be posted to you (except for The Count House - see below)

- Go to Climbers' Club website and navigate to 'Huts'. <https://climbers-club.co.uk/huts>
- Choose your hut. Read the information. NB: If you click on the little black arrows more/less is shown.
- Click 'Book' top right.
- Tick 'Kindred Club'
- In the calendar click on arrival **and** departure dates. Your selection will be shown in green.
- The number of beds available for KC will be shown on the right.
- Scroll down and complete the details. **NB:** Complete the details for each member of your party, 'Category' is particularly important as this decides the price to be paid. If this is not completed they will all be charged the maximum (guest) rate.
- Choose payment method. Choosing 'card' (Credit Card) is quickest and easiest and is preferred. (If you choose GoCardless you will have to set up a Direct Debit - slower and requires more effort.)
- Click 'Request Booking'
- An automated email will be received acknowledging your request.
- Next one of the CC Hut Booking Team will email back: They will either Accept Booking or decline with an explanation of why.
- If accepted the email will contain details of How to Pay and Cancellation Policy also the date by which payment is required. Your booking is still provisional at this stage.
- Once paid your booking will be **confirmed** and you will receive an email with your Booking Reference Number. **Keep this number safe you will need it when you arrive.**
- Some days before your arrival an electronic key fob will arrive in the post. (A pre-paid return envelope will be included).
- Enjoy your visit
- ASAP after your visit, post the key fob back in the pre-paid envelope provided.

Special Access Arrangement for the Count House (Cornwall).

The FRCC and CC have a reciprocal arrangement for The Count House and Waters Cottage. A key fob is kept in a key safe at the hut. Once your booking is confirmed you will receive the code by email. No need to wait for a fob by post.

Booking a Whole Room.

It is possible to book a whole room in some huts however to do so you must pay for all the beds in that room.
